Please withdraw the requests I sent previously, and substitute them with these new requests, which are more limited in scope:

- Any written communications sent from an officer or employee of the district within the past six months regarding any election.
- Any emails containing “Texas Legislature” and “Primary” within the past six months.
- Any emails to or from the Superintendent on his school district email account(s) containing the words “Texas Legislature” within the past six months.

Subject: Open Records Requests

I would like to make the following open records requests, each as a separate request, of your Superintendent and principals:

- Any written communications sent from an officer or employee of the district regarding any election.
- Any emails containing “Texas Legislature” and “Primary” within the past 90 days.
- Any emails to or from the Superintendent on his school district email account(s) containing the words “Texas Legislature.”
